

HOW TO USE OUR CALCULATOR

CarMoneyTM
The car finance ninjas

1

TYPE OF FINANCE

Select whether you want to go for a Hire Purchase or Personal Contract Purchase agreement.

2

INPUT INFO

Input car price to finance, deposit amount you can afford, length of agreement, and quality of your credit score.

3

PCP CALCULATOR

The PCP calculator estimates monthly repayments, final balloon payment and overall costs based on the value of the vehicle, length of agreement, and deposit offered at the start.

4

HP CALCULATOR

The HP calculator only needs to calculate monthly repayments, and uses the same information, deposit, vehicle price and the length of term.

5

ESTIMATED MONTHLY PAYMENTS

It is important to remember that our calculator only provides an estimate for your costs. It helps to give you an idea of what you might pay. For an accurate figure, you will need to make an application.
